CHEESE

Montagnolo Affine

A triple crème soft cheese that is surface ripened and is marbled with blue veins, with a grey natural crust from Germany

Mayfield

A sweet and nutty cheese characterised by its golden colour and evenly spread holes. Similar in style to an Emmental.

Garstang White

Made with Jersey milk, this cheese has rich, buttery notes. Soft brie style cheese.

Munster

Also known as Munster Gémomé is a soft washed rind cheese made from milk produced by cows living in the regions between Alsace, Lorraine and Franche-Comté in France.

Kickass Strong Cheddar

A new cheese, Kick Ass is an extra mature strong cheddar cheese coated in black wax and proudly made in Chipping Lancashire by Procter's Cheese. A mature, nutty bite but a unique smooth texture.

Manchego

The Manchego is produced in the La Mancha region of Spain, which is also home to Don Quixote. It is made from unpasteurised sheep's milk.

Blue Stilton

Streaked like marble, and the texture is crumbly and almost soft - relatively delicate compared to its stout and bold flavours. Intense and rich, the taste is complex with creamy and nutty specks, followed by a salty finish that sticks to your palate.

Inglewhite

Medium hard, milky goat's cheese from Inglewhite near Preston which is smoked over old whisky barrel chippings at Park head Farm dairy.
